TABLE DES MATIERES / TABLE OF CONTENTS / INHALT

TABLE DES MATIÈRES
1. Spicher, C.J., Degrange, B. & Mathis, F. (2006). La prévalence de l'allodynie mécanique sur le corps humain : De la rhumatologie à la chirurgie en passant par l'obstétrique. <i>e-News for Somatosensory Rehabilitation</i> 3(1), 16-25
2. Degrange, B. (2006). Exemple d'un rapport. <i>e-News for Somatosensory Rehabilitation</i> 3(1),12-13
3. Mathis, F., Degrange, B. & Spicher, C.J. (2006). No Comment No. 1. <i>e-News for Somatosensory Rehabilitation</i> 3(1), 10
4. Mathis, F., Degrange, B. & Spicher, C.J. (2006). No Comment No. 2. <i>e-News for Somatosensory Rehabilitation</i> 3(2), 69
5. Louis-Courvoisier, M. (2006). Ce qu'ils en disent: "Le protocole compassionel" Guibert, H. <i>e-News for Somatosensory Rehabilitation</i> 3(2), 66-68
6. Spicher, C.J. (2006). Tout n'est qu'un tissu de relation vibrante (Editorial). <i>e-News for Somatosensory Rehabilitation</i> 3(2), 31
7. Marchand, S., Berthoud, M. & Ortega, C. (2006). Les étudiants nous apprennent: Synthèse "Des lésions des nerfs et leurs conséquences" Mitchell, S.W. <i>e-News for Somatosensory Rehabilitation</i> 3(3), 104-107
8. Degrange, B. (2006). Exemple d'un rapport. <i>e-News for Somatosensory Rehabilitation</i> 3(3),102-103
9. Mathis, F., Degrange, B. & Spicher, C.J. (2006). No Comment No. 3. <i>e-News for Somatosensory Rehabilitation</i> 3(3), 100-101
10. Mathis, F. (2006). Ce qu'ils en disent: "Neurologische Schemata" Flatau, E. <i>e-News for Somatosensory Rehabilitation</i> 3(3), 99
11. Mathis, F., Degrange, B., Bernier, G. & Spicher, C.J. (2006). Diminution rapide par rééducation sensitive de douleurs neuropathiques chroniques d'une névralgie crurale incessante avec allodynie mécanique. <i>e-News for Somatosensory Rehabilitation</i> 3(3), 84-95
12. Ruffieux, C. (2006). Témoignage d'une patiente. <i>e-News for Somatosensory Rehabilitation</i> 3(4), 149-152
13. Kaeser, M., Rouiller, E.M. & Spicher, C.J. (2006). Neuroplasticité : du concept aux perspectives thérapeutiques. <i>e-News for Somatosensory Rehabilitation</i> 3(4), 123-134
14. Bernier, G., Degrange, B. & Spicher, C.J. (2006). No Comment No. 4. <i>e-News for Somatosensory Rehabilitation</i> 3(4), 141

TABLE OF CONTENTS
15. Spicher, C.J., Mathis, F. & Degrange, B. (2006). Somatosensory Rehabilitation Centre's Statistics. <i>e-News for Somatosensory Rehabilitation</i> 3(1), 26-27 Theme: Pain relieved (n=111 patients treated)
16. Della Casa, R. (2006). Somatosensory Rehabilitation or Somatosensory Rehabilitation? <i>e-News for Somatosensory Rehabilitation</i> 3(1), 14-15
17. Decosterd, I. (2006). Neuropathic Pain Symptoms: Toward Mechanism-based Pain Management? (Guesteditorial). <i>e-News for Somatosensory Rehabilitation</i> 3(1), 2-4
18. Spicher, C.J., Mathis, F. & Degrange, B. (2006). Somatosensory Rehabilitation Centre's Statistics. <i>e-News for Somatosensory Rehabilitation</i> 3(2), 76-77 Theme: Pain relieved (n=130 patients treated)
19. Golay, A., Lagger, G., Chambouleyron, M., Carrard, I. & Lasserre-Moutet, A. (2006) Therapeutic Patient education. <i>e-News for Somatosensory Rehabilitation</i> 3(2), 32-39
20. Spicher, C.J., Mathis, F. & Degrange, B. (2006). Somatosensory Rehabilitation Centre's Statistics. <i>e-News for Somatosensory Rehabilitation</i> 3(3), 109-110. Theme: Mechanical allodynia distribution
21. Lundborg, G. (2006). Sensory re-education after nerve repair: new aspects on timing. (Guesteditorial). <i>e-News for Somatosensory Rehabilitation</i> 3(3), 81-83
22. Spicher, C.J., Mathis, F. & Degrange, B. (2006). Somatosensory Rehabilitation Centre's Statistics. <i>e-News for Somatosensory Rehabilitation</i> 3(4), 119-120. Theme: Number Needed to Treat of somatosensory treatment
INHALT
23. Jörn Good, U. (2006). Ihre Meinungen zur Thema: "Schmerzen verstehen" bei Butler David, S. & Moseley Lorimer, G. <i>e-News for Somatosensory Rehabilitation</i> 3(1), 9
24. Dill, B. (2006). Patienten Uebersicht: Krankheitsverlauf. <i>e-News for Somatosensory Rehabilitation</i> 3(2), 71-72
25. Degrange, B., Jörn Good, U., Mathis, F. & Spicher, C.J. (2006). Chronische neuropathische Schmersyndrome: Ein neuer Behandlungsansatz aus der somatosensorischen Rehabilitation. <i>e-News for Somatosensory Rehabilitation</i> 3(2), 41-60
26. Inauen, I. (2006). Ihre Meinungen zur Thema: "Handbook for Somatosensory Rehabilitation" bei Spicher, C.J. <i>e-News for Somatosensory Rehabilitation</i> 3(4), 143
27. Joern Good, U. (2006). Möglichkeiten für die Behandlung des komplexen regionalen schmersyndromes (CRPS) durch neurophysiologische erkenntnisse.(Guesteditorial). <i>e-News for Somatosensory Rehabilitation</i> 3(4), 116-118

Claude SPICHER, editor-in-chief & Fanny MATHIS, co-editor
