### TABLE DES MATIERES / TABLE OF CONTENTS / INHALT

<b>TABLE DES MATIÈRES</b>	
1.	Desmeules, J. (2005). Douleur et mémoire neurobiologique: De la physiopathologie aux implications pratiques (Gusteditorial). <i>e-News for Somatosensory Rehabilitation</i> 2(3), 41-43
2.	Kohut, G. (2005). Ce qu'ils en disent: "Nerve Injury & Repair" Lundborg, G. <i>e-News for Somatosensory Rehabilitation</i> 2(4), 56-57
3.	Mathis, F., Degrange, B. & Spicher, CJ. (2005). Douleurs neurogènes chroniques traitées par rééducation sensitive. <i>e-News for Somatosensory Rehabilitation</i> 2(4), 68-73
4.	Spicher, CJ. (2004). e-News for Somatosensory Rehabilitation (Editorial). <i>e-News for Somatosensory Rehabilitation</i> 1(1), 1
5.	Spicher, CJ. (2004). Nos maîtres des siècles derniers (Editorial). <i>e-News for Somatosensory Rehabilitation</i> 1(3), 13-14
6.	Spicher, CJ. (2004). Ce qu'ils en disent: « Traité des sections nerveuses: physiologie pathologique, indications - procédés opératoires » de Létévant, E. <i>e-News for Somatosensory Rehabilitation</i> 1(3), 15-16
7.	Spicher, CJ. (2005). Exemple d'un rapport. <i>e-News for Somatosensory Rehabilitation</i> 2(2), 35-36
8.	Spicher, CJ. (2005). Ce qu'ils en disent : « Evaluation de la douleur chez l'Homme » de Ponchon-Guenin, G. <i>e-News for Somatosensory Rehabilitation</i> 2(3), 46-47
9.	Waldburger, M. (2004). Ce qu'ils en disent : « Manuel de rééducation sensitive du corps humain » de Spicher, C. <i>e-News for Somatosensory Rehabilitation</i> 1(1), 2
<b>TABLE OF CONTENTS</b>	
10.	Cramer, S. (2005). Gusteditorial. <i>e-News for Somatosensory Rehabilitation</i> 2(4), 51
11.	Dellon, AL. (2005). Foreword for Handbook for Somatosensory Rehabilitation by Claude Spicher. <i>e-News for Somatosensory Rehabilitation</i> 2(2), 24
12.	Grothe, F. (2005). Patient's point of view: When Pain Comes to Stay. <i>e-News for Somatosensory Rehabilitation</i> 2(4), 61-62

13. Kohut, G. (2004). Their point of view: "Somatosensory Testing and Rehabilitation" Dellon, A. <i>e-News for Somatosensory Rehabilitation</i> 1(2), 9-10
14. L. (2005). Patient's point of view: My Stimulator and I. <i>e-News for Somatosensory Rehabilitation</i> 2(2), 37-38
15. Rouiller, EM. (2004). Neuroplasticity (Guesteditorial). <i>e-News for Somatosensory Rehabilitation</i> 1(2), 6-9
16. Spicher, CJ. & Degrange, B. (2005). Rapid Relief of a Long-standing Posttraumatic Complex Regional Pain Syndrome type II Treated by Somatosensory Rehabilitation. <i>e-News for Somatosensory Rehabilitation</i> 2(1), 12-21
17. Spicher, CJ., Mathis, F. & Degrange, B. (2005). The Assessment of the Vibrotactile Sense: A Path to Relieve Chronic Neurological Pain. About 83 Axonal Lesions in the Upper Extremity. <i>e-News for Somatosensory Rehabilitation</i> 2(3), 51-61
18. Spicher, CJ. & Degrange, B. (2004). Somatosensory Rehabilitation Centre's Statistics. <i>e-News for Somatosensory Rehabilitation</i> 1(1), 4-5 Theme: Assessment (N=92 axonal lesions)
19. Spicher, CJ. & Degrange, B. (2004). Somatosensory Rehabilitation Centre's Statistics. <i>e-News for Somatosensory Rehabilitation</i> 1(2), 10-12 Theme: Mechanical allodynia (N=25 allodynography)
20. Spicher, CJ. & Degrange, B. (2004). Somatosensory Rehabilitation Centre's Statistics. <i>e-News for Somatosensory Rehabilitation</i> 1(3), 20-21 Theme: Sciatica Neuralgia (N=93 axonal lesions)
21. Spicher, CJ. & Degrange, B. (2005). Somatosensory Rehabilitation Centre's Statistics. <i>e-News for Somatosensory Rehabilitation</i> 2(2), 33-34 Theme: Mechanical allodynia (N=39 allodynography treated)
22. Spicher, CJ., Mathis, F. & Degrange, B. (2005). Somatosensory Rehabilitation Centre's Statistics. <i>e-News for Somatosensory Rehabilitation</i> 2(3), 62-63 Theme: Pain relieved (N=53 patients treated)
23. Spicher, CJ. Mathis, F. & Degrange, B. (2005). Somatosensory Rehabilitation Centre's Statistics. <i>e-News for Somatosensory Rehabilitation</i> 2(4), 74-75 Theme: Pain relieved (N=75 patients treated)
<b>INHALT</b>
24. Grothe, F. (2005). Patienten Uebersicht: Wenn Schmerzen kommen und nicht mehr verschwinden. <i>e-News for Somatosensory Rehabilitation</i> 2(4), 62-63
25. Inauen, I. (2005). Somato-Sensorische Rehabilitation in der Handtherapie (Guestditorial). <i>e-News for Somatosensory Rehabilitation</i> 2(1), 2-3
26. Leu, P. (2005). Ihre Meinung zur Thema: "Nerve compression Syndromes of the Upper Limb" bei Allieu, Y & Mackinon, SE. <i>e-News for Somatosensory Rehabilitation</i> 2(1), 4-5
27. Schnyder, V. (2005). Patientin Uebersicht : Unerklärlichen Schmerzen. <i>e-News for Somatosensory Rehabilitation</i> 2(3), 50

Claude SPICHER, editor-in-chief & Fanny MATHIS, co-editor
