Gjat vitit 2007-2009 jam
mjekuar në kët klinike për
shërimin e këmbes pas ak-
sidentit që ndodhi gjat vitit
2007 ku isha në mardhënje
pune. Para se të arrija këtu
spitali i bernit më kishte of-
ruar që të operohem por nuk
pranova për arsyen se frigohe-
sha të mos mbetem invalid i
përjetshëm.
